Forecast For Wales
Issued by Met Office Exeter
at 0400 on Friday 04 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Settled with sunny spells. Turning chilly overnight with fog patches.

Today:
After a bright and chilly start, it will be a dry day with plenty of warm sunshine and light winds. Fair weather cloud will bubble up during the afternoon. Maximum temperature 20 deg C (68 deg F).

Tonight:
Staying dry this evening with any cloud in the east gradually clearing to leave widespread clear skies overnight. Turning chilly with fog patches forming in prone areas. Minimum temperature 2 deg C (36 deg F).

Saturday:
After any isolated mist and fog patches clear, it will be a fine day with sunny spells. Cloud will build through the day but feeling pleasant in the sunshine. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Largely dry throughout with some sunny spells and a few showers. Showers turning more frequent and widespread on Monday. Feeling warm, especially in the strong sunshine.
